## Common Whipping Variations

Original Drawing By  
Percy W. Blandford

A

- . Lay end under and put tight turns over it.
- . Lay in separate loop of line.
- . Make three or more turns over it and put working end through loop.
- . Pull tight and cut off end.

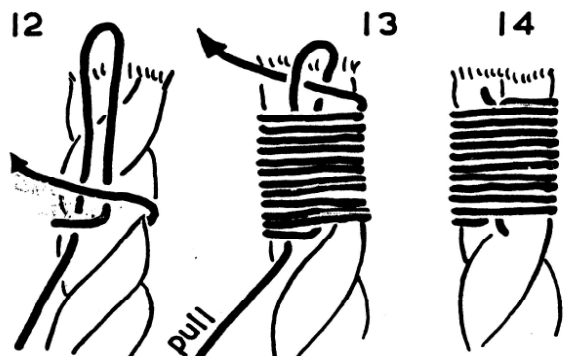

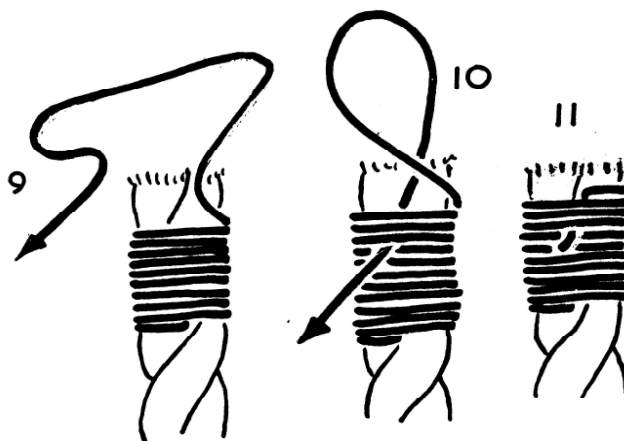

B

- 5. Start in same way but covering a long end.
- 6. Turn back end to make loop.
- 7. Put on more turns and pass working end through loop.
- 8. Pull back and cut off ends.

C

- . Put on turns covering starting end and make working end into a large loop.
- 0. Hold down end and put on more turns with loop over it.
- 1. Pull through surplus from loop and cut off.

D

- 12. Double back loop longer than whipping.
- 13. Put on turns over it and pass working end through loop.
- 14. Pull back linking loops to halfway.

Chart No.

8
